

OCS PRODUCT

Winner: Hershey's Hot Chocolate

Sunny Sky Products – a producer of dispensed beverage solutions offering hot, cold, frozen and beverage enhancer products – brings consumers the iconic flavor of a Hershey's chocolate bar in a cup. Made with Hershey's cocoa, this drink will fulfill any consumer's chocolate cravings, perfect for chocolate lovers everywhere. Level up your cocoa with Hershey's Hot Chocolate.

Lavazza

Runner-up: Lavazza x Rifle Paper Co. Holiday Blend

Lavazza and Rifle Paper Co. partnered in 2023 to bring something more special than just a cup of great coffee. An omni-channel launch across retail, e-commerce, foodservice and OCS (in Flavia's Freshpack), Lavazza Holiday Blend featured Rifle Paper Co. co-founder and CCO Anna Bond's hand-painted illustrations including a city holiday scene and the colors of the Italian flag. The collaboration combined the festive holiday spirit of Rifle Paper Co. with Lavazza's expert craftsmanship and premium coffee to bring a special coffee blend with notes of toasted almond and warm spice to sip in the holiday season.

OCS EQUIPMENT

Winner: Coffea X-DUO

Introducing the Coffea X-DUO, a revolutionary coffee and tea machine designed to elevate a consumer's beverage experience. Boasting a cutting-edge patented vacuum brewing system, this innovative brewer seamlessly blends the rich aroma of Coffea coffee with the delicate flavors of premium teas. Users can enjoy the convenience of dual functionality, effortlessly switching between their favorite coffee or tea selection (hot and iced) with the touch of a button. The sleek and compact design of the X-DUO complements any modern OCS, while its user-friendly interface ensures a hassle-free brewing process. With the Coffea X-DUO, technology meets taste for the ultimate beverage indulgence.

Coffea Group

Runner-up: Flavia Creation 300 + Chill Refresh

Lavazza introduced the Flavia Creation 300 + Chill Refresh, a mid-sized all-in-one workplace beverage system that crafts both hot and cold café-style beverages including coffee, tea, lattes, hot chocolate, cold brew coffee, flavor-infused waters and more. With the Flavia Chill Refresh, no ice is needed to make cold, refreshing drinks. The Flavia Creation 300 + Chill Refresh has a compact footprint and smart technology to keep up with mid-sized workplaces and spaces, while its intuitive digital interface makes it easy to craft rich beverages calibrated for perfectly balanced flavor.
